This image shows three hand-drawn wireframe sketches for a website layout, signed by Aaron B.

- The top sketch, titled "Travel Page", features a navigation bar on the left with links for Home, Vaccine, Dashboard, and a "call to action". The main area contains a large outline of the United States divided into a grid, with a small icon in the Northeast corner.
- The middle sketch, titled "NC Flv Rates", includes a title, a line graph icon, a heat map icon, and a "Call to action" button at the bottom.
- The bottom sketch, which is partially cut off, contains a "Call to action" header, a wavy line icon, and a box labeled "North Carolina" with a dropdown arrow. Below this are sections for "Governor:" and "Senator:" each preceded by a wavy line icon.
